# JOIN THE INTERNATIONAL PhD PROGRAM IN BIOMOLECULAR SCIENCES CALL 2017

The international PhD program in Biomolecular Sciences is aimed at creating an exciting learning and research experience dedicated to outstanding and motivated young graduate students.

Successful candidates will have the opportunity to spend three years at the University of Trento, Italy, developing ambitious research projects.

International environment

Interdisciplinary research

High quality education

Most advanced lab equipment

## RESEARCH PROGRAMS

- ❑ BIOCHEMISTRY
- ❑ BIOINFORMATICS
- ❑ CANCER GENOMICS
- ❑ COMPUTATIONAL BIOLOGY
- ❑ DEVELOPMENTAL BIOLOGY
- ❑ GENETICS
- ❑ LIPIDOMICS AND BIOMEMBRANES
- ❑ METABOLOMICS AND METABOLIC IMAGING
- ❑ MICROBIAL GENOMICS
- ❑ MOLECULAR AND CELLULAR BIOLOGY
- ❑ MOLECULAR VACCINOLOGY
- ❑ MOLECULAR VIROLOGY
- ❑ NANOBIO TECHNOLOGY
- ❑ NEUROBIOLOGY
- ❑ ORGANIC CHEMISTRY
- ❑ STRUCTURAL BIOLOGY
- ❑ SYNTHETIC BIOLOGY
- ❑ SYSTEMS BIOLOGY

... and the transdisciplinary program in  
Computational Biology

Application deadline:  
AUGUST 23, 2017
